**EMBOSSING 101****INSTRUCTOR: DIANE RADISCHAT**

Many students just leaving the beginner's class often ask "What's next?" A very logical progression into the rubber stamping environment would include a more thorough review of embossing and some of its components. In this class, each student will explore different methods of embossing and come away with a much clearer understanding of what is possible with embossing. This is a great way to keep the creative juices going. All materials provided.

### HOLIDAY CLUB

*INSTRUCTOR/HOUSTESS: FRIENDS & COMPANY*

What better way to get the year started than with a brand new exclusive holiday club where members are required to work on holiday projects only. These holidays can include any holiday throughout the year but whose main focus will be end of year holidays from Halloween through the balance of the year. This club can expect to be fun and generate not only lots of camaraderie but also lots of projects as well. This club is currently at capacity and a waiting list has been started. It is limited to 10 members so it filled quickly. The club fee of \$5.00 per month will be used to purchase club "things", i.e., a Cuttlebug for use by club members only as an example, or whatever club members decide. A short business meeting and an occasional demo presented by club members will likely become a monthly event as part of the club activities. If you would like to be placed on the waiting list or would like to start a similar club, please give a call to our West Seattle or our Issaquah location depending upon where you would like to host.
